ANNUAL INDEX

Volume 13, January to December 1984

Following is the comprehensive index of Volume 13 of *Pediatric Annals*, covering all material from January 1984 through December 1984. The topic index lists the topics covered by each of the single-subject issues published during the year, and the title index indicates alphabetically all articles published and the serial page number. Serial numbers begin with the first editorial page in January and continue consecutively through December. Each article in the author index is listed under the name of the primary author.

TOPICS

January—Depression and Suicide in Children and Adolescents (Eisenberg)
February—Muscle Disorder in Infancy and Childhood (Spiro)
March—Sudden Infant Death Syndrome and Infantile Apnea: Medical and Psychosocial Aspects of Management (Zebal & Friedman)
April—Autism (Ritvo & Freeman)
May—Controversies in Antimicrobial Agents for Otitis Media (Bluestone & Klein)
June—Childhood Obesity Update—Part I (Collipp)
July—Childhood Obesity Update—Part II (Collipp)
August—The Pediatrician and Sports Medicine (Dyment)
September—Infectious Diseases in Infancy and Childhood (Gershon)
October—Child Abuse and Neglect (Fontana)
November—Eating Disorders: Failure to Thrive and Anorexia Nervosa (Silber)
December—Eating Disorders: Anorexia Nervosa, Bulimia and Rumination (Silber)

EMPLOYMENT OPPORTUNITIES

MIAMI, FL: Seeking board certified or eligible pediatrician for large, busy pediatric office. Space sharing agreement or partnership available. For further information, contact: Michael Geraldi, MD, 9270 SW 150 Ave., Suite 301, Miami, FL 33196. (305) 382-0020.

PEDIATRIC PSYCHIATRIST—University Hospital, Jacksonville, Florida, is seeking a Chief for the Division of Child Psychiatry in the Department of Psychiatry. University Hospital is academically affiliated with the University of Florida College of Medicine. The purpose of this position is to develop a program for the short term psychiatric inpatient care for children and adolescents. The Acute Crisis Unit will be built on a team concept. There will be a full supporting staff available with teaching and administrative responsibilities. There would also be a close working relationship with the Department of Pediatrics. The academic appointment would be at the Assistant/Associate Professor level; a full Professor level depending on qualifications of the applicant. □ Interested applicants are invited to forward curriculum vitae, names and addresses of three references to: Donna Seger, MD, Department of Emergency Medicine, University Hospital of Jacksonville, 655 W. 8th Street, Jacksonville, Florida 32209.
